

# Environmental Education Association of Illinois

[www.eeai.net](http://www.eeai.net)

---

*The purpose of the Environmental Education Association of Illinois is to maintain a vital network that supports and advances quality environmental education throughout the state.*

---

## GOALS

To advocate and facilitate formal and non-formal educator staff development that is aligned with state and national standards.

To provide an effective organizational structure offering environmental educators increased services and opportunities for greater involvement.

To promote and enhance professional communications among environmental educators.

## MEMBERSHIP BENEFITS AND SERVICES

All Membership Levels Include:

- Quality Professional Development Opportunities
- Annual Mini Grant and Award Programs
- Region-specific Support Networks
- Informative Newsletter and Website
- Annual Conference
- Voting Privileges
- Opportunity to Serve on Board of Directors

**Sustaining** - Perpetual membership. Includes recognition in newsletter and website, as well as the Annual Conference.

**Friend or Patron** - Includes recognition in newsletter and website.

**Organizational** - For school, governmental, and not-for-profit agencies with benefits for three representatives.

**Senior** - For those individuals 62 years of age or older.

**Student** - For those individuals who are a full or part-time student.

Upon receiving your membership application, additional information will be sent to you regarding your region and current membership activity there. A board of directors governs EEAI. The state is divided into five regions, each of which is served by two or three regional directors.
